Offers may be made for one or more classes, at the option of the bidder; but all the articles embraced in a class must be bid for.

Each class will be considered by itself, and the contract for that class will be warded to the bidder whose proposals for the articles comprised in the class are lowest in the aggregate.

The cloth for the pea packets shall be twilled pilot cloth of American manufacture, pure indigo blue, wool-dyed. It shall be 54 inches wide, and weigh 26 onners per yard. It shall have a list on each edge composed of 24 white threads, of all wool. All pieces weighing less than 25 onnees per yard will be rejected; and each bale of about 300 yards must average 26 ounces per yard.

The cloth for round jackets, blue cloth trowsers, and blue caps shall be twilled, all wool, of American manufacture, and pure indigo blue, wool-dyed. It shall have a list on each edge composed of 24 white threads, of all wool. All pieces under 17½ ounces per yard will be rejected; and each bale of about 300 yards must average 18 ounces per yard.

made up.

The finned must be all wool, American manufactured, wool-dyed, pure indige-blue, and twilled; must be in pieces of about 50 yards in length, 27 inches wide, weighing 5 ounces per yard, with a list on each edge of 4 white woollen threads woven in the whole length of the piece. To be packed in bales of 10 pieces, the pieces to be rolled separately selfhout cloth boards; each bale to contain 500 yards and, 1504; pounds fiannel. No piece to have a less average weight than 48-10 ounces per yard.

The overshirts, undershirts, drawers, and jumpers must be made of flannel like the above.

18-10 ounces per year. The overshirts, undershirts, drawers, and jumpers must be made of dannel like the above.

The Barnsley sheeting must be free from cotton, 80 inches in width; weight, twelve ownces 31-100 per yard; texture, 4 by 4 to 1-16 inch. The canvas duck must be free from cotton, 27 inches in width, and about 36 yards in the piece, double thread warp and filling; weight, eight ounces 23-100 per yard; texture, 9 by 10 to ½ inch.

The shoes must be stamped with the contractor's name, number of shoe, and year when made; the sizes to be in the following proportion for each 50 pairs, unless otherwise cretered, viz. 4 of No. 5, 9 of No. 6, 12 of No. 7, 12 of No. 5, 9 of No. 9, 3 of No. 10, 1 of No. 11.

They are to conform in all respects to the samples at the yards, and to be delivered in good strong boxes, 50 pairs in each. The name of the contractor, contents, and the year when made, marked on each box.

are 71 mehes in length and 29 inches in width. The hair, ticking, and covers must conform to samples.

The hankin must be the best bine American nankin, 26 inches wide, texture 5 threads by four threads to the 16th of an inch, dyed wings Bengd indigo.

The blankers must weigh six pounds per pair, and measure 58 by 78 inches each. A bale of 50 pairs must weigh 500 pounds, and no pair shall weigh less than 5 pounds 13 ounces. They must be of American manufacture, made of clean wool, and each blanker must be marked "It. S. Navy."

The black silk hanklerchiefs must be 31½ by 31½ inches, and weigh one ounce and 12 grains Troy; texture 14 by 25 to one-eighth of an inch.

rame. The inspecting officers to be appointed by the Navy Department.

The offers must distinguish the prices for each article mentioned in a class, and must be calculated to cover every expense attending the fulfilment of the contract, including the necessary buttons.

In case of fulture on the part of the contractors to deliver the several articles which may be ordered from them, in proper time and of proper quality, the chief of the Bureau of Provisions and Clothing shall be authorized to purchase or direct purchases to be made of what may be required to supply the deficiency, under the penalty to be expressed in the contract; the record of a requisition, or at either of the nary-yards aforeasid, shall be evidence that such requisition has been under an experience of the respective contracts, will be required, and twenty percentum will be withheld from the amount of all payments on account thereof as collateral security, and not in any event to be paid until it as in all respects completed with; and eighty per centum of the amount of all deliveries made will be paid by the navy agent within thirty days after triplicate bills, duly authenticated, shall have been presented to him.

Bellow whose proposals shall be accepted (and none others) will

of all deliveries made will be paid by the navy agent within the tydays after triplicate bills, duly authenticated, shall have been presented to him.

Bidders whose proposals shall be accepted (and none others) will be forthwith notified; and as early as practicable a contract will be transmitted to them for execution, which contract must be returned to the bureau within five days, exclusive of the time required for the regular transmistion of the mail.

A record, or duplicate of the letter informing a bidder of the acceptance of his proposal, will be deemed a notification thereof within the meaning of the act of 1846, and his bid will be made and accepted in conformity with this understanding.

Every offer made must be accompanied (as directed in the act of Congress making appropriations for the naval service for 1846–47, approved 10th August, 1846) by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation within five days, with good and sufficient sureties, to furnish the supplies proposed. The bureau will not be obligated to consider any proposal unless accompanied by the guarantee required by law; the competency of the guarantee to be certified by the navy agent, district attorney, or the collector of the customs.

Blank forms of proposals may be obtained on application to the nacy agents of Portsmouth, New Humpshire; Boston, New York, Philadelphia, Baltissow, Washington, Narjok, Penacola, and at this bureau.

The attention of bidders is called to the samples and description of articles regulared, as, in the inspection before reception, a just but rigid comparison well be made between the articles affered and the samples and contract, receiving none that fall below thesis; and their attention is also particularly directed to the joint resolution of March 27, 1854, in addition to the act of the 10th August, 1846.

Of the Establishment of three additional Land Offices in the Territory of Nebraska. N pursuance of the act of Congress approved March 3d, 1857, entitled "An act to establish three additional districts in the Territory of Nebreaks," to be called, respectively; "Nekara Land Despite", "the "Sucre Plante River Land Despite", "the "Datora Land Despite", it is hereby declared and made wit that the offices for said districts have been established as follows.

PUR, VIZ:
For the "Nemana Lave Destrict" at Brownsville.

The adhesive envelopes must be gummed an inch cach side of the centre of the lappels.

By the act approved June 17, 1844, the Secretary of the Sensie is directed to confine his purchases exclusively to articles of the growth and manufacture of the United States, provided the same can be procured of such growth and manufacture of subable quality, and at reasonable prices, upon as good terms as to quality and price as can be obtained of foreign growth and manufacture. A preference will therefore be given to the productions of American industry, and all persons making propersis to supply, any article will state whether the same is of the growth and manufacture of the United State.

The articles must be delivered at the office of the Secretary of the

Sonate at Washington, free of any charge for curriage, on or before the 10th of September next.

Every article must be of the very best quality, unless an inferior excisle is called for.

It is estimated that the quantities above mentioned will be required for the first session; but the right is reserved to the Secretary in order, upon giving reasonshie noise, any additional quantities during that section, or for any subsequent rection of the Thirty-20th congress.

A sufficient specimen of each article proposed for (of paper half a quire, and of envelopes 25) is to accompany the proposed, and to be marked with the name of the proposer and the price of the article, and of paper the weight per roam. The whole of each article specified in the foreigning it will be deemed a class; and the person offering to furnish any such class at the lowest price (quality considered) will recover a contract for the same on executing a band, with two or more sureties satisfactory to the Secretary of the Senate, for the performance threeof, under a forf-inter of twice the contract price in case of failure, which bout is to be filed in the office of the said Secretary withat not days after the proposals have been accepted.

If any article contracted for should not be achievered within the time
